Matewan PK 8

Grade: 1

Thursday, March 26, 2020

1. Read, read, read, and…. **READ**! Anytime, and all the time!
2. **Practice math** skills and problem-solving abilities by applying it to real life situations!
3. **Journal**: The more our students write in complete sentences, the better they will be in the future!
4. **BONUS**: Let's learn how to tie our shoes!

Math assignment:

If you collected 35 Legos, and for your birthday, you receive 45 more, how many Legos would you receive in all? How would you count your collection of Legos? (by 1s? by 2s? by 5s? by 10s?)

1. Write an equation for this problem.
2. Create a number line for the problem. Think about what your number line will go by (1s, 2s, 5s, or 10s) *Make sure to draw your humps!*
3. In a complete sentence, explain how you would count your collection of Legos.
4. Solve the equation.
