2018-2019 school year at Lenore PK-8!

Principal Message:

I am pleased to say we are off to a wonderful start at Lenore PK-8. We have several new staff members, and they are anxious to work with our students. We began our school year with our 3rd Annual Back to School Bash where the children really enjoyed playing on the blow-ups and socializing with their friends. We also want to thank our parent volunteers who have helped paint our restrooms and work on our building to make it look so inviting for our students. Our dedicated staff is in the process of implementing our new Positive Behavior Rewards and Academic Rewards Programs as incentives for our students to recognize all their hard work and achievements. We will be sending out information on those very soon! We are working on planning many more creative, fun, and educational events to make 2018-2019 our best year yet!

Communication:

Our school will still be using **LiveGrades.com**. As a parent, you will be able to login to view your child's grades and other information. To get started, you will need a "Guardian Login Information" sheet from the school. You can only get this sheet from the school office or any of your children's teachers. If you need help getting started, contact the school.

To speak with your child's teacher, please make an appointment during the teacher's planning period.

Parent Volunteers-Get Involved!

We are grateful for our Volunteers here at Lenore PK-8!

The interest and wonderful turn out for our meeting showed what dedication and encouragement our volunteers provide for our students. We welcome and appreciate parents, grandparents, or anyone willing to take time out of our everyday busy life to make a change in our students!

If you missed our meeting and you are interested in volunteering, please, contact me at the school and we will get you involved. Our school has a great number of students and staff. Copying papers, decorating bulletin boards, assisting in the office/library, the list goes on. You can make a difference! Thanks, Ladonna Davis PERC Coordinator
