Note from Teacher: Annetta Swafford; Instructional Coach

Hello, I'm the Instructional Coach at Matewan and most of the students know me because I've been in the classrooms helping Ms. Coleman and Ms. Lipps. We really miss getting to see all of you each day. I'm excited to get to help with your NTI lessons, so if you need to get in touch with me you can email me or send me a message on Facebook messenger.

**Parents: Please take a picture of all assignment for the remainder of the year and email it to me. My email is listed above. Thank you!**

**\*\* Read each day or ask someone to read to you\*\***

**Today's Lesson:**

**Describe your best day ever? Write at least one or two paragraphs and give lots of details explaining why.**
