**Note from Teacher: Annetta Swafford; Instructional Coach**

**Hello, I'm the Instructional Coach at Matewan and most of the students know me because I've been in the classrooms helping Ms. Coleman and Ms. Lipps. We really miss getting to see all of you each day. I'm excited to get to help with your NTI lessons, so if you need to get in touch with me you can email me or send me a message on Facebook messenger. I hope you enjoy the activities in the coming weeks. I look forward to hearing from you soon.**

**Have a great summer!!!**

**Today's Lesson:**

**Make a timeline of your school year. Remember to include that you were not able to attend school as normal. Compare this school year to a previous year. What have you liked? What do you wish could have been different.**
