Content Area: Science

Teacher: Case

Greetings everyone!

I hope you are all staying healthy and safe. If you need help with anything please contact me, I'd be more than happy to help! I love and miss you guys so much! Use this time to not only keep on learning, but to have some fun as well! Have a great week.

**Love,
Ms. Case**

Today's Lesson:

Heat energy is energy that can be transferred between objects because of the difference in the temperature.

**An example of an object that DOES give off heat energy is a flashlight.
An example of an object that DOES NOT give off heat energy is a textbook.
Your assignment is to list 6 things that do give off heat energy and 6 things that do not.**

***Additional programs you can check out to keep yourself learning! (These are optional)**
