Note from Teacher:

Hello, my sweet students. I miss y'all, and I hope y'all mess me, too. I'm going to give you a reading assignment that is so easy and fun. Remember if you need me, you have my contact information. I can help with anything.

Today's Lesson:

Pick a book you have. Then read it for 15 minutes. When you are finished, put a bookmark to mark the last page you read. Put the book in a location where you can find it so you won't have to go looking for it tomorrow.

Do the same every day, until you finish the book. Don't give up on the book. Finish it. You will end up loving it. It is like watching television.

I can't wait to hear what you read.
