

Spanish NTI Lesson 3

Obj. To review conjugating verbs/To write a paragraph describing someone in your family

Part 1. Spanish verbs in the infinitive form end in -er, -ar- or -ir. To conjugate a verb in the present tense, you need to drop the -er, -ir or -ar and add the ending that goes with that verb ending.

Endings for an -ar verb

-o	-amos
-as	-áis
-a	-an

Endings for an -er verb

-o	-emos
-es	-éis
-e	-en

Endings for an -ir verb

-o	-imos
-es	ís
-e	-en

Example: Caminar (to walk)

Since the last two letters of this verb are -ar, I need to use the endings for an -ar verb. Drop the -ar and add the endings for an -ar verb.

Camino	Caminamos
Caminas	Camináis
Camina	caminan

Conjugate the following verbs:

1. Comer (to eat)
2. Mirar (to watch)
3. Beber (to drink)
4. Escribir (to write)
5. Hablar (to talk)
6. Cocinar (to cook)
7. Leer (to read)
8. Descansar (to rest)
9. Compartir (to share)
10. Vivir (to live)

Part 2: Write a paragraph about a family member. Tell the person's name, how old they are, where they live, their birthday, their relationship to you, and what they like and do not like to do. **DO NOT** use a translator to write this paragraph. I will ask you to rewrite it if you do. You have the knowledge to write this on your own. If you need some help, look at the lesson I wrote on Maggie for NTI lesson 2 and use it as an example.
