Mingo County Schools is looking for local foods. The parameters of the grant we intend to utilize for funding calls for “Local or regional food that is raised, produced, aggregated, stored, processed, and distributed in the locality or region where the final product is marketed to consumers, so the total distance the product travels between the FARM or RANCH where the product originates and the point of sale to the end consumer is AT MOST 400 Miles.” Vendors should submit eligible items with prices by the date listed. All prices must include delivery to all schools in Mingo County (List of schools and addresses attached).

Quantities Needed: Exact quantity has not been determined and can change due to program participation. This number could change to meet the needs of the schools. Not all items will be purchased weekly.

Delivery Schedule: Weekly delivery with the date to be mutually determined by the Child Nutrition Director and the vendor.

The Pricing Pages contains a list of the Contract Items and estimated purchase volume. The estimated purchase volume for each item represents the approximate volume needed for to be placed on the menu once monthly only. The actual quantity will vary weekly. No future use of the Contract or any individual item is guaranteed or implied. Mingo County reserves the right to reject and all bids. Total purchases through this contract will not exceed \$25,000.

This is a line-item bid. Mingo County will award items to each available vendor based on the Vendors ability to meet the need of each specific line item at the lowest cost. If a Vendor cannot meet the full estimated quantity, please indicate the quantity you can provide. In the event no Vendor can meet the total estimated quantity, Mingo County Schools reserves the right to purchase the item from multiple Vendors if available.

BUY AMERICAN: Vendor must be in compliance with the Buy American Provision. Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-786) added a new provision, Section 12(n) of the NSLA (42 USC 1760(n)), requiring SFAs to purchase, to the maximum extent practicable, domestic products for use in meals served under the programs. Regulations define "domestic products" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. "Substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. Purchases made in accordance with the Buy American Provision must still follow the applicable procurement rules calling for free and open competition.
