Request for Face Covering Exemption

(Student Form)

Properly wearing a dual-layered cloth face covering or mask is one of the best tools available to reduce the spread of COVID-19. Mingo County Schools requires that face coverings be worn by all students, teachers, staff, and visitors inside Mingo County Schools and facilities. Face coverings are also required while traveling on buses or other school transportation vehicles. Exemptions from wearing a face covering due to medical reasons will require certification by a healthcare provider. To obtain approval for this exemption, both parents/guardians, as well as, the students' healthcare provider, are required to complete and return this form to the school administrator.
