

Matewan Pk-8

NTI

Grade Level: K-5

Date: April-May 2020

Teacher's email: dggodby@k12.wv.us

Content Area: PE

Teacher: Godby

Note from Teacher:

Love and miss you! Stay active!

My students will be doing an activity calendar. This calendar will provide an activity each day for the month of April and May. Students will log on to the web site openphysed.org. You will go to Active Home. Once you go to active home you will go to DEAM Calendars (Drop Everything And Move). Click on to April and May. The calendar will encourage you to become more active. I think you will enjoy the activities. Please let me know if you need help getting on this site! Have fun!
