### **Note from Teacher:**

**Hey Everyone! I know that we aren't going back to school this year but just know I am still here for you all! To support you and your child any way that I can. I am still conducting ELA/Math supports via and FB Messenger on Monday, Wednesday, and Friday between 1:00pm and 3:00pm until May 19<sup>th</sup>! You all may turn in your NTI Packet work at the school on Wednesdays between 12:00-1:00pm or send me pictures of the work via email at agooslin@k12.wv.us.**

### **Today's Lesson:**

Break up and depict the numbers 11 to 19 into tens and ones. For example, 15 is equal to 1 ten and 5 ones. Then I would draw out one 10 stick and 5 one blocks.

**Christy McCoy, NBCT**

**Teacher's Email: [christy.mccoy@k12.wv.us](mailto:christy.mccoy@k12.wv.us)**

**Another way to contact me is: [ClassDojo.com](https://www.classdojo.com) or Facebook Messenger**

### **Note from Teacher:**

**This new way of learning helps us to realize that anything can be accomplished with a little effort. I hope your child is working well each day in their home learning environments. I appreciate the many photos and videos you have shared with me showcasing their hard work. Please know I am here for you and your child, if you need my assistance. These are very trying times for all of us and together we can overcome this challenge! I miss the time with my students that we lost. Stay Safe and Healthy at Home! 😊**

### **Today's Lesson:**

**Count by 5's to 100 and write them down. Circle all of the numbers that had a "5" in them. How many did you circle?**
