

# Matewan Pk-8

## NTI

**Grade Level: 3rd**

**Content Area: Math**

**Date: May 7, 2020**

**Teacher: Mrs. Lipps**

**Teacher's email: mrdotson@k12.wv.us**

**Another way to contact me is: Livegrades, Google Classroom, or the class Facebook page (Mrs. Lipps Third Grade Class – link is on the P.A.W.S. page)**

**Hello! I hope you are enjoying your time at home. I have gotten a lot of much needed rest. I have also been able to catch up on a lot of stuff that I needed to do around my house. I have enjoyed all of the extra time that I have been able to spend with my husband and Brody, but I really miss all of you. I hope to see some of your smiling faces on video calls, as we get to do them. It is a great way to go over some things we might have missed this year & give you a head start on next year.**

**Please stay home & stay safe. You're in my prayers.**

**Parents: Please take a picture of all assignment for the remainder of the year and email it to me. My email is listed above. Thank you!**

**Today's Lesson:**

**Draw a food chain that includes the sun and 4 living things. Explain how energy passes through this food chain.**

**Online Resources:** These resources are optional. They are not required.
